Head Teacher's Comments

I hope you all enjoyed what was an amazing bank holiday weekend. We hope the summer weather returns quickly for the children at school. A reminder to apply sun cream before school and ensure your child has a bottle of water in school.

When you came to school on Tuesday this week, you will have seen the amazing 'green man' sculpture on the front of the school. This sculpture was made by all the children who attended the Forest School work at The Footprint Building. Many thanks to Ro from Woodmatters who worked with the children and staff to produce such an amazing and creative piece of work. Do encourage your friends to pass by and look at it.

Our Year 5 children have been continuing their work on Sports Leadership training with Mr Moorhead, our Sports Coach. They are developing so many skills in working and leading others in the outdoor playground environment. Work has included setting up games, teaching games and managing people through role play - these are all skills for life.

The children were amazing at Mass on Thursday and it made me feel really proud to hear so many positive comments about your children. We should all be proud of them and praise their achievements.

We are into the SATs season but I assure you we will be managing these in such a way as to support your children in the best way possible. I wish them all well and simply ask them to do the best they can and be a 'Have a go Hero'.

Mrs Hartley and Mrs J have been out of school this week on training sessions to support outcomes for our children in Early Years and KS1. The ideas that will be put in place will benefit our children as they move through school.

Many thanks in advance to our Hip Hop dancers who will be performing after church on Sunday at the 'Veggie Food' event for the community. They will be dancing their vegetable dance.

Peter Harrison, Head Teacher

KS2 Pupils enjoyed the challenge of Tri-golf at The Lakes School this week

MENU 2
