## 10th of September 2021

Dear Parents and Carers,

### Head Teacher's Comments

We've had another super busy week, the children are well settled into their new routines and there is a wonderful atmosphere in school. It is wonderful to see the new playground equipment being enjoyed so much.

Cuthbert Bear's Baby and Toddler group restarted yesterday. We welcomed lots of new faces. Please spread the word if you know of anyone who may want to take their pre-school child along on a Thursday morning, 9.30-11.15 at the Maryholme centre. We also have spaces in all year groups at school.

Yesterday, The Trailblazers spent the day at The Westmorland County Show. They had a magnificent day and luckily the weather stayed dry. We are always very proud to take our children out. Their behaviour is exemplary.

Today, we enjoyed our first forest school session of the new term. We welcomed Ro from 'Woodmatters' into school and we spent the day creating lots of exciting crafts which will be used as part of a bug hotel installation on Abbot Hall Park for the Torchlight in Kendal. The creations will then be permanently displayed at school. The children love their forest school days. The next five forest school sessions (dates below) will be at 'The Footprint', **transport will be provided on both journeys. So, on these days drop off and pick up will be as normal at school.**

Football club with George restarted tonight and on Tuesday pottery club is starting. Please remember we do offer daily after-school and breakfast clubs, the office requires 48 hours notice for any bookings.

Well done again to your amazing children who have settled back into the school routine so effortlessly,

We hope you all have a happy and peaceful weekend.
