## 21st of May 2021

Dear Parents

### Head Teacher Comments

We hope your child enjoyed the whole school trip to Brockhole yesterday. We are extremely fortunate to be working closely with the Lake District National Park Authority, who funded the trip and transport, making it a free trip. I am sure you have heard all about the day; amongst other exciting activities the children enjoyed pond dipping, creating leaf kebabs, exploring the driverless POD, following a historic trail through the grounds and kitchen garden and having a good play on the adventure park. The rain didn't spoil our fun.

On Monday we enjoyed our penultimate Forest School session. Our last one will be on Monday 24<sup>th</sup> of May. Every child has benefitted from these sessions and we hope to be able to offer more in the near future.

Despite several reminders, some children are still arriving at school early. It is really important that your children arrive at the correct start time for their class. We have Breakfast Club available if you need them to be in school earlier - please see below for booking details.

As well as rabbits, we now have a new pond! The Trailblazers' tadpoles had reached the froglet stage, so we decided it was best to move them outdoors into our new pond area. This is so exciting as it means we can observe the varying seasons and the change in wildlife every year!

Letters will be going out shortly for after school clubs for after half term. Please also remember we offer a daily breakfast club as well as after school provision - please see below for details.

As May is the month of Mary, we will be holding our annual 'May crowning' next week. This is such a special and traditional event for the children and staff at St. Cuthbert's. We remember Mary and her vital maternal role in our Church.
