## 26th of March 2021

Dear Parents & Carers,

### Head Teacher's Comments

We have had another super-productive week at school. The children have been busy with their learning in class, we are very impressed.

On Wednesday we joined Father Darren for our Easter Mass. It was lovely being back in Church and, as ever, your children behaved impeccably.

On Thursday, the Easter bunny called into school for a socially distanced visit. Thanks again to our amazing PFA for buying every child an Easter egg - their smiles said it all.

Our Easter tombola has raised over £100. Thank you for all your generous contributions. Using the money raised, the children will be able to help us choose some new playground equipment for the new term.

The governors are glad to let you know that, along with all seven other schools considering conversion to academy status from September, they voted in favour of St Cuthbert's converting to academy status and joining the Mater Christi Multi Academy Trust. I can confirm that the Academy Order has now been received and that the Diocese are helping us move forward in readiness for a September conversion date. Your children, as has been said before, will see no noticeable change in their day to day experience at St Cuthbert's. However, as part of a family of schools rooted in the gospel values, we will all draw strength from our togetherness in Christ.

Please remember that school returns on April 12th. The summer term is a busy one with lots happening (including forest school, after school clubs and swimming for KS2). Please keep an eye out for letters and for diary dates.

Have a peaceful Easter and we look forward to welcoming you back on Monday the 12<sup>th</sup> of April.

God Bless and stay safe,

Mrs Bone and Mrs Tansey  
Head of School & Executive Head
