

FRIDAY NEWSLETTER

2nd of October 2020

Dear Parents

The children and staff have had another fantastic week at school. On Monday, the children enjoyed some fun activities linked to European Languages Day and Art Club after school was a great success, the children loved drawing from nature. As the Club was so popular Mrs Twist has kindly offered to continue the Club for four weeks after half term for those children who were unsuccessful this time. Football club is tonight after school. Larkrigg riding school, Miss Twist and George have all commented on the children's impeccable behaviour. Our children are a real credit to you.

If you haven't yet engaged with Dojos, please could you. It is essential that as many parents as possible engage with Dojos. Should school need to close we would use this as our main form of communication. If you need assistance to access Dojos, please contact us. We are welcoming posts on Dojos of what the children have been up to at home, it's a lovely way for the children to share their own experiences. Please use your child's 'portfolio' to upload any photos or videos.

We will be arranging our parent consultation meetings soon. Due to the current situation these will be held over the telephone with dates and times to be confirmed. Please spread the word if you know any children who are approaching Nursery or school age. We currently have space in all Year groups and as you know, our small school is such a lovely and nurturing environment for children to mature and bloom at their own pace.

Please remember to maintain social distancing when dropping off your child and, if you need to come through the gate, you must remain behind the red line. Due to congestion on Princes Road, we have altered KS2 start times (Y3 & Y5 @ 8.50. Y4 & Y6 @8.55) and on arrival the Trailblazers and Detectives come straight into school after sanitising their hands. Next Friday (9th October) we will be inviting your child to wear yellow for 'Hello Yellow' to support Young Minds.

We wondered if there are any of our parents who could help us with a few 'hands on' jobs at school. We would really appreciate any time you could spare.

Given your child can't have an official birthday party at the moment, we would like to offer you the chance to send a cake (bought and sealed) into school for them to share with their friends in school. A team Cuthbert's birthday will be a special one, we don't want anyone to miss out. If your child has any allergies, which we may not be aware of, please let us know.

Many thanks, as always, for your support,

Mrs Tansey & Mrs Bone
Executive Head Teacher & Head of School
