Catering Provider change

Dear Parents and Carers,

I have some very good news, which will save yourselves as parents a considerable amount of money on school meals costs.

On April 1st, the school will be changing its catering provider from the current supplier, Orian, to Caterlink.

As part of the change, we will be moving our cashless payment system from SchoolHub to a new provider called 'Schoolcomms'.

The system used to order food will also change to a system called Cypad.

During the coming weeks, information and set up instructions will be sent to you in anticipation of the move. Any credit balances in the account for your child on 31st March will be carried over into the new system on April 1st 2024.

With this change will come a very welcomed decrease in the cost of school meals.

The current rate of £3.60 will decrease to £2.53.

This fair price is one that all children will pay regardless of which school they attend within the Mater Christi Trust.

We will be able to share the new menus with you soon too – which look absolutely delicious. There will also be more meal choices for your child.

Thank you for your patience in this upcoming transition.

If you have any questions in the meantime please ask myself or Miss Rawlinson.

Yours sincerely,

Mrs Lucy Bone
Headteacher
