## St Cuthbert's Catholic Primary School Windermere Curriculum Overview KS1 Summer 1

Dear Parents / Carers,

We are writing to share with you an overview of the topics that your child will be learning this half term in Years 1 and 2. At St. Cuthbert's, we value the important partnership between home and school. Please use the information below to support your child with their learning over the coming weeks.

Thank you for the effort that is put into reading with your child at home. This is the key to developing skills across the curriculum and the more you can do, the more your child will be able to improve the speed and depth with which they learn. Remember to talk to your child about what they are reading as well as listening to them – the type of questions that need an explanation should be combined with fact finding questions.

If you have any questions about the information below, please feel free to make an appointment or call into school and see us.

Thank you for your continuing support.

Mrs Meyerhoff, Mrs Bone and Miss Brownsord

Below are the topics that we are going to be studying this half term with some ideas of activities you can do at home to support your child's learning:

Subjects	KS1 (Years 1 and 2)	How to help at home.
Religious	We will be covering what happened after Easter	Talk to your child about what
Education	Sunday including the ascension and Pentecost,	makes them happy and
	when the Holy Spirit came to the Apostles. The	brings them joy.
	children will be encouraged to open their hearts to	
	the Holy Spirit and will be celebrating activities	
	which bring them joy.	
English	The children will be taught in phonics groups	Please read with your child
	based on their ability. They will work on new	as much as you can.
	sounds and recap previously learnt sounds. The	
	<ul> <li>children will practice blending the sound into</li> </ul>	
	words and build up to fluent reading and	JME
	comprehension. Children will be preparing for the	
	Phonics Screening Check.	
	In their English lessons this term, the children will	
	be using the book 'The Pet Potato' to inspire their	
	writing. They will focus on extending their	
	sentences to form short narratives and rereading	
	their work to check that it makes sense.	

Mathematics	Geometry – Position and Direction	Login to your TT Rock Stars
	Time	account.
	Problem Solving	
Science	Plant Parts	Can the children recognise
<b>0</b>	This project teaches children about wild and garden	the part of a plant in your
<u></u>	plants by exploring the local environment. They will	garden or whilst out on a
	identify and describe the basic parts of plants and	walk? Ask them what they
	observe how they change over time.	can tell you about plants.
Humanities	School Days (History)	Talk about how your life at
	This project teaches children about their own school	school was different to
	and locality, both today and in the past. They	school life now. Discuss
	compare schooling in the Victorian era to their	similarities and differences
	experiences today.	with the children.
500000000000000000000000000000000000000		
	Our Wonderful World (Geography)	
	This half term the children will learn about physical	
	and human features, maps, cardinal compass points, and positional and directional language. They learn	
	about the equator, hemispheres and continents and	
	are introduced to the countries, capital cities and	
	settlements of the United Kingdom. The children will	
	carry out simple fieldwork to find out about local	
	physical and human features.
