ONE FAMILY, ALL WELCOME

Friday 17th March 2023

Headteacher's Comments

Dear Parents and Carers,

Thank you for supporting us today. The funds raised will be used to update essential phonics resources in EYFS and KS1. The children loved dressing up in Red to help us celebrate St. Josephs day, which is this Sunday (19th March). We learnt all about St Joseph's life and how he worked hard to provide for his family.

This week we have celebrated National Science week in school, completing lots of Science related activities. As part of their 'sensational salads' topic, the Explorers have been observing the growth of the beans they planted last week also learning about what plants need to make them grow. They've also been investigating potatoes, they enjoyed planting them and using them to paint with.

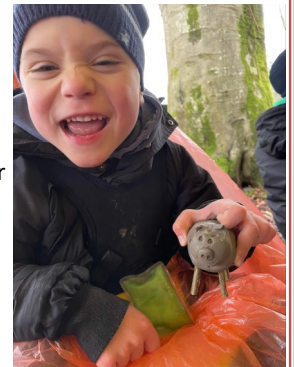

Y3&4 have made 'eat well' plates and have been sorting foods into their food groups. Y5&6 have been learning about the aging process and different life milestones in age brackets. Today, they have been investigating the reactions between paint, washing up liquid and water. The children have made some spectacular paint bubbles. Mums might recognise the patterns on Sunday morning...

As a follow up to last week's visit from the planetarium, the children have designed their own planets and have created their own habitats and species.

The Explorers had a wonderful time in the woods on Wednesday. Focusing on their topic of 'Once Upon a time', the children enjoyed building houses for the three Little Pigs, followed a trail of breadcrumbs and making some delicious porridge for Goldilocks over the fire. We always love our sessions at the Footprint with Ro and Woodmatters. Key Stage Two are in forest next Wednesday (22nd), please wrap up warm.

KS2 have had their final dressed rehearsal today with Miss Nic. Year 3,4,5 and 6 are performing at the Brewery Arts Centre in Kendal on Monday. It is always a spectacular event. You are in for treat, if you have a ticket... If not, don't worry – the DVD's will be on sale shortly after the show.

I hope you have a lovely weekend and enjoy Mothering Sunday,

Take care

L. Bone

Mrs Lucy Bone

Headteacher

Please save the date for the PFAs Easter afternoon tea, which is taking place on Thursday 30th March from 2.45.

**WOW!
Well done Y1 & Y5**

KEY DATES FOR YOUR DIARY
