St. Cuthbert's
CATHOLIC PRIMARY SCHOOL
ONE FAMILY, ALL WELCOME

Headteacher's Comments

Dear Parents and Carers,

This year is flying by! I can't believe that we will only have 6 and half weeks left once we return after half term.

We have a very exciting half term planned with lots of enrichment and extra-curricular activities planned. The Explorers will be heading to Roan Head for the day as part of their seaside topic, KS2 are starting their water sports sessions on Windermere and have a few very exciting trips planned locally, including a trip to Brantwood and also the Armit museum in Ambleside.

On Wednesday we welcomed Father Ajish into school—he enjoyed playing football with the children at break time. Father Ajish is our new Parish Priest and we hope he settles in well within our community.

I would like to thank for your kindness in offering your time to help us complete some big gardening tasks during the half term break. There will be a number of parents and staff members at school on

Thursday 1st June from midday. If you are able to come and help, we would be most grateful. Please bring some gardening tools... We will be having a thank you BBQ at around 4 o'clock for any families who are able to give up their time. We will have some burgers/ snacks and drinks.

This week has been as busy as ever in school. On Monday, KS2 welcomed United Utilities and Brockhole into school. They talked all about ways to save water. The children all made pledges, some of them include; ensuring taps are turned off, having shorter showers and turning the tap off when they are brushing their teeth. Well done KS2. Ruth from United Utilities was very impressed with your knowledge of the water cycle.

The Explorers have been busy continuing to look at their animal topic. They have been looking at animals that live in water as well as deserts this week. The nursery have created some lovely collages.

If you are at Country Fest next weekend (3rd and 4th of June) please make sure you visit the Education tent, where you will see our entry for 'Fill Yer Boots'. Mrs Quinn and Mrs Pearson have been busy with gardening club preparing our entries. We have created an interactive 'spin the wheel' flower display, which showcases many of the exciting curricular enrichment activities we do at St. Cuthbert's. We also have some wonderful salad buckets, filled with plants grown from seed by the Explorer children. If you do go, please could you send a photo of yourselves with our entries to myself via class DOJOs.

A letter was sent home relating to sports day, which is on Wednesday 7th June. Hopefully the sun will be shining at the rugby club for this exciting day, we hope you can join us.

I hope you enjoy the half term break and I look forward to seeing you back on Monday 5th June.

Take care,

L. Bone
