ONE FAMILY. ALL WELCOME

Dear Parents and Carers,

We've had another fantastic week at school.

This week we celebrated Harvest and joined father Ajish at mass on Wednesday. Thank you so much if you were able to make a donation to Windermere food bank.

On Tuesday we all dressed in yellow to celebrate 'Hello Yellow' day. This day was all about raising awareness for children's mental health, we also raised some vital funds for the charity 'Young Minds'.

The Explorers enjoyed forest schools this week. They made fires using steel and flints, toasted bread and made their own paint using natural objects from the forest. They also made some beautiful necklaces and masks whilst using tools to assist them.

On Thursday we welcomed PCSO Sarah Blacow into school. She spent the afternoon talking to the children about respect and how important it is to treat one another the way we want to be treated. On Monday Sarah was also in school with her friend, Mel who worked with the Year 5 and 6s raising awareness about people who are living with a visual impairment. The children negotiated an obstacle course using a mobility cane, whilst wearing special glasses in order to experience various levels of visual impairment.

KS2 have been busy designing a new park for Bowness. The park by the rugby club is need of an upgrade and hopefully the ideas our children have will be considered by Windermere Town Council. Watch this space!

The PFA met on Wednesday for their annual AGM they're busy planning their Christmas fair which will be on the 1st of December and their spooky disco is next Wednesday. Please see the poster for more details. They are looking for parents helpers, if you can spare some time to help.

Today is sadly Mrs Quinns last day with us. Mrs Quinn is moving to work at Sandgate in Kendal. I am sure she will be very happy there, we will miss her.

**Maths in the sun!**

I hope you have a lovely weekend,  
Stay safe,
