St. Cuthbert's
CATHOLIC PRIMARY SCHOOL
ONE FAMILY. ALL WELCOME

Dear Parents and Carers,

What a wonderfully busy week we've had in school. All children are loving their new topics.

Currently in RE all children are learning about creation.

Early Years have been outside exploring nature and showing appreciation for everything that God created. They have also been making their own planets.

On Tuesday KS2 spent the day at Forest School at The Footprint.

They spent the day exploring 'through the ages.' A highlight for them all was designing and constructing their own axe, using slate and wood.

On Tuesday, Parents and Carers with children in the Explorers class, are invited to join myself and Mrs Meyerhoff for an early reading meeting at 3.30pm. We hope you can join us.

At this meeting we will share with you the strategies we use to support and develop reading in our class. You can also use at these home to support your child.

In a couple of weeks we will be celebrating our annual Harvest Festival. We will be collecting donations for Windermere food bank. If you are in a position to donate any items we would be most grateful. Our drop off point will be in our library area.

On Thursday Year One and Year Two welcomed Walter the wolf from the Westmorland FA into class. Mr Bone and Mr Leonard brought Walter into school teach children about respect at grassroots football, whether you are a player or a spectator.

The children made some fantastic posters displaying key messages which the FA will be displaying on the sidelines for their matches.

We currently have a vacancy for a Parent Governor, if you are interested in this role please contact myself or the school office before Thursday 28th September.

I would like to take this opportunity to thank you all for your continued support. I hope you have a lovely weekend.
